SELLER OF TRAVEL
ACKNOWLEDGEMENT OF REGISTRATION

This letter acknowledges your registration as a Seller of Travel with the California Seller of Travel Program, Office of the Attorney General. Your registration number is:

2158159-70

Your registration is valid until **March 17, 2025**, and must be renewed before that time. A certificate of Registration as a Seller of Travel is enclosed which shows your assigned Registration Number, your registration type, and your expiration date.

Certain disclosures about Travel Consumer Restitution Fund participation and the rights of consumers are required on all of your advertising and sales solicitation materials. Please refer to our Seller of Travel website regarding these and other required disclosures. Sample disclosure language is provided for your assistance at the Seller of Travel Program's website:
https://oag.ca.gov/sites/all/files/agweb/pdfs/travel/disclosure.pdf.

Also enclosed is a document entitled "Disclosures From Sellers of Travel" which summarizes additional disclosures that must be provided to customers on their travel itinerary or receipt.

You have claimed an exemption from the requirement to directly deposit passengers' funds into a trust account because you have stated that all of the following apply: (1) passenger payments are made by credit card; (2) you do not deposit, negotiate, or factor the credit card charge or otherwise obtain payment of or credit the amount of the credit card charge to any account that you control; (3)(a) if the charge includes transportation, the transportation carrier processes the credit card; and (3)(b) if the charge is only for services, the provider of services processes the credit card charge. You thus meet all of the requirements for an exemption in section 17550.15 subdivision (j) of the Seller of Travel law and you are not required to use a trust account or maintain a bond. If your status changes so that you no longer operate under the special conditions of your registration, you must notify this office of that change in status, and immediately comply with all applicable trust account or surety bond requirements of the Seller of Travel law.
